

GOEM! Go on employ me!

Participants:

- IES Xabier Zubiri -Manteo BHI , ES
- Albert Schäffle-Schule, DE
- Belfast Boys' Model School , UK
- Sogndal vidaregåande skule, NO

The movement of Europeans to find employment has escalated. In this project the students will explore the best way to make themselves attractive to the European Labour market. The aims are to promote intercultural understanding and tolerance, to research the local and European job market, to enhance foreign language competence, to encourage entrepreneurship and leadership and to use digital resources.
